

35<sup>th</sup> Scientific Conference

## OILSEED CROPS – ADVANCES IN GENETICS, BREEDING, TECHNOLOGY AND ANALYTICS OF LIPIDS

19–20.05.2020 Poznan

Venue: Congress Centre Hotel IOR Poznan, W.Wegorka 20a

organised by:

Plant Breeding and Acclimatization Institute  
National Research Institute  
Oilseed Crops Research Centre in Poznan

Department of Food Chemistry and Instrumental Analysis  
Institute of Food Technology  
University of Life Sciences in Poznan

and

Polish Food Technologists Society

### Welcome to the 35<sup>th</sup> Conference

On behalf of the Organisers we cordially welcome you to the 35<sup>th</sup> Conference “Oilseed Crops – Advances in Genetics, Breeding, Technology and Analytics of Lipids”.

The oral presentations (30 min), short communications (15 min) and poster presentations will be presented within six topics:

- Genetics and breeding,
- Biotechnology and molecular biology,
- Agronomy,
- Pests and diseases,
- Analytical methods and processing technology,
- Biological value of oil and rapeseed meal.

Registration for the conference together with a title, form of presentation and the intended topic section should be sent via email to [mogrod@nico.ihar.poznan.pl](mailto:mogrod@nico.ihar.poznan.pl) or postal address: **Plant Breeding and Acclimatization Institute, Strzeszynska 36, 60-479 Poznan**. The Scientific Committee is eligible to change the form of the presentation.

Abstracts will be published on Plant Breeding and Acclimatization Institute and European Federation for the Science and Technology of Lipids website. **The deadline for submission of abstracts is 15.03.2020.** Abstracts containing title, names of the authors, affiliation, results and discussion should be sent in Word format to [mogrod@nico.ihar.poznan.pl](mailto:mogrod@nico.ihar.poznan.pl). The organisers will not introduce any language corrections of the content of the abstracts.

### Key dates:

**29.02.2020** – registration for the conference

**15.03.2020** – abstract submission

**15.04.2020** – 2<sup>nd</sup> circular including program will be sent to all conference participants

### Participation fee:

Early registration fee (before 15.04.2020)	– 700 PLN + 23% VAT
Standard registration fee (after 16.04.2020)	– 800 PLN + 23% VAT
Members of Polish Food Technologists Society	– 650 PLN + 23% VAT
PhD students	– 350 PLN + 23% VAT

### The participation fee includes:

- Admission to conference sessions
- Electronic copy of the conference program and abstracts
- Coffee, tea and lunches during the conference
- Social event on the 19.05.2020

### Payment:

We only accept payment via bank transfer. All bank charges and commissions shall be paid by the participants. Payment should be made through bank transfer to:

Bank Millenium

Instytut Hodowli i Aklimatyzacji Roslin-PIB, Oddział w Poznaniu

Account number (IBAN): PL 48 1160 2202 0000 0000 5809 8187 SWIFT/BIC BIGBPLPW

Note: "Conference 2020" + name(s) of the participant(s).

### Recommendation for Accommodation:

- Congress Centre Hotel IOR, Poznań, W. Węgorzka Street 20a (Single, double rooms)

### Address:

**Plant Breeding and Acclimatization Institute, Strzeszynska Street 36, 60-479 Poznan**

- Phone: 61 823 37 21, 61 846 42 32, Fax: 61 823 38 71
